Teddy Bear Clinic

On Tuesday the Kindergarten Class goes to Aspirus Hospital for their Teddy Bear Clinic. The nurses demonstrate on the students stuffed animals different procedures like shots, and blood pressure that would be done if the child would come into the hospital. It is a great free program that our school has participated in for many years.

VISION & HEARING SCREENING

On Monday, March 5th the Marathon County Health Department will be coming to our school for their annual Vision & Hearing screening for Grades K,1,2,3 & 5. All children will be tested unless our office is notified that you do not want them tested. Parents will be notified by the Health Department directly if there is a concern regarding any of the results. There is no charge for this service.

Grades 5-8 sing on March 8th at the 5:00 Service.

Grades K-4 sing on March 22nd at the 5:00 Service.

Students will go home after school and should meet in the balcony by 4:45.

H.I.S. Choir

With the sports season winding down, please take a moment to consider joining H.I.S. Choir! (Hearts in Song) We have some fun music to sing for Easter and other services the remainder of the school year and having more voices would be so amazing!

All students 1-8 (and K with good reading skills) are welcome to come and give the choir a try. We meet Wednesdays at 6:00 to 6:45 pm. If you have any questions, please give me a call at 715-551-0966.
